

SINCE  1960  
**FLORIDA  
CRYSTALS®**

With Florida Crystals® Turbinado Sugar, you can count on consistently large, amber, distinctive crystals. And our first-rate product is only the start.

Our Turbinado has full transparency from farm to mill to packet, made from sugarcane we grow and mill right here in the U.S.

Plus, we pride ourselves on our regenerative farming approach and commitment to achieving zero sugarcane waste.

So you can feel good about every delicious sip.

## FLORIDA CRYSTALS®. HONEST TO GOODNESS SUGAR™.

While our sugar is sourced from sugarcane grown in the U.S., the benefits don't stop there.

- Since 1960, we've been growing sugarcane on our family-owned Florida farms and have become the only growers of organic sugarcane in the U.S.
- We focus on building a balanced ecosystem promoting soil health, carbon drawdown, and enhancing biodiversity.
- At Florida Crystals®, we manage every step of our sugar crafting, so you know you're getting the quality and consistency your customers demand.
- We have full-transparency in every step of our sugarcane's journey from our farms, to our mill to the packet.

## FLORIDA CRYSTALS TURBINADO. RICHNESS IN EVERY SIP.

Our Turbinado cane sugar features large, amber crystals that make it particularly suitable for sweetening hot beverages, as they melt slowly and infuse their rich aroma and distinct earthy flavor into every sip.

### And it has other great benefits:

- Regeneratively Grown Sugarcane
- Vegan
- Kosher
- Non-GMO Project Verified
- Gluten-Free
